1-9-19 Meeting of Brd. of Assessors: 5:05pm
present: Jen Kolenda, Barb Newton
Lucinda Childs

Minutes were read and accepted.

CAI Technologies has requested plans and deeds once maps are updated. Our maps need further updating before we can provide. This will keep our maps up to date on GIS online.
We received notice for 1-24-19 Meeting in New Braintree, MA for CMC Solar development.

We signed CAI Technologies invoice and we need to contact vendor to address 2 instances of outdated MA GIS data. Jen will provide as much as she can while waiting for Gary Lamphier. Also signed NBM maintenance plan invoice.

Application for CH61 for map 95 Lot 2 amendment to include 2 acres that had been left out of original plans giving a total of 22 Acres.
Motion made to accept Amendment on CH61 for Map 95 Lot 2 on Clapp Rd. Chair signed Certificate of CHapter. Forest Plan included along with payment to release 20.6

Acres and lien to 22.6 acres.

Sandra Bruso called to question why we have not set our tax rate.

Motion made by Chair to enlist Mayflower Valuation recommending to Board of Selectmen for approval to have them process once again the 2020 Interim Valuation + Building Permits for New Construction.

Chair moved to go into Executive Session with no intention of returning to open session to sign MV abatements.
