

## Building Committee

### Landscaping Minutes 3.10.14

Present: Tim Boland, Cheryl Doble, Margaret Logue, Linda Hearn, Leah Smith, Barbara Day, Nelia Decker, Lil Province

Guests: Beth Kramer, John Hoff, Hunter Moorman

1. Minutes for the Feb 10<sup>th</sup>, and Feb 24<sup>th</sup> meetings were passed and Nelia will send to Tara.
2. Leah will go visit Eleanor Waldron and share pictures that Tim took of possible future screening plantings. He is thinking of Thuja "Green giant" as a screening, planted on her property.
3. ConCom will be meeting at 5PM on Tuesday the 11<sup>th</sup>. The plan was provisionally approved. We want to discuss the pruning of the invasives on the east and south side. The neighbors are amenable to working with us. Need to get permission from the ConCom, but we need to limit the permission of pruning to our own property. During the second week of April, Tim will be meeting with them.
4. Interior sign for landscaping plan, Cheryl will handle.
5. John has 80% of pricing figures
6. Beech trees may be too tall for the Woods/Noons garden, blueberry bushes?
7. John will break down garden prices and give to Hunter.
8. North Terrace path has to be asphalt. Discussion of surface: grass, bluestone pavers-we don't want to put furniture on grass/mud surface.

Respectfully submitted,

Nelia Decker
