Fay Butler, Hardwick Fair Committee President – RFP Paige Agricultural Building

F. Butler read the Hardwick Community Fair Association response to the RFP for lease of the Paige Agricultural Building into record. The association has advised that they will not respond to the RFP.

Discussion ensued regarding the potential of long-term leasing, raising questions pertaining to the ability or not of the Hardwick Community Fair Association to obtain grants or conduct fundraising for repairs or improvements if the Town of Hardwick were to lease and not sell the building. R. Kmiec assured F. Butler that the town would be willing to work collaboratively with the Association to obtain grants for the Paige Agricultural Building.

The Board of Selectmen and Mr. Butler have agreed to revisit this in September or October 2015.

Appointment: Veterans Agent

MOTION: H. Comerford to appoint Scott Tourtelotte to Veterans Agent.

SECOND: R. Kmiec
